### Schedule Commitment

I agree it is imperative that I clear my calendar for every shift I commit to work. While emergencies can occur, you become a valuable cog in our wheel once you join us. Any change in your commitment must be cleared with the Crew Chief at least 24 hours in advance. Do not over extend yourself or commit to time you are not sure of. Please indicate any possible conflicts that will interfere with your commitment. Conflicts reported after casting may result in dismissal from the production. If you find you must make an adjustment to your schedule, please contact the Crew Chief via email: [Crew@IdyllwildFestivals.com](mailto:Crew@IdyllwildFestivals.com)
