

IDYLLWILD FESTIVALS

August 30, 2023

We must cancel our Fifth Annual Renaissance Faire at Camp Emerson due to the California Inland Empire Council of the Boy Scouts of America not accepting our usual contract which has been in place for the last four years and having hosted six events at the Camp. Notifying us last week of major changes to the contract and with less than four weeks to go to our event, we find it difficult to agree to their new terms on such short notice.

We are saddened and disappointed that we must take this action, but it is our first responsibility to our cast, crew and patrons to provide a safe, enjoyable and exciting event within our set budget. We were expecting to have our best Renaissance Faire ever with more merchants, the best entertainment we could afford and plenty of amazing Food Vendors along with our custom brewed Mead.

We would like to thank everyone who was looking forward to our event this year. We will be back stronger than ever next year as we're already exploring other venues, our options and setting dates for next years festivals. We also must thank our cast & crew, many who have been with us for the last eight years, for their many hours of work, patience and joyous participation making our events truly fun and exciting adventures.

Please reach out to Roy Regalado at: CEO@IdyllwildFestivals.com with any questions you might have and to show your support of our events so we know we are fulfilling our mandate to provide the best educational entertainment to our Guests and Patrons.

Again, we are disappointed but not crushed as we regroup and continue to provide quality events for all of our supporters.

Brava!
